(USE SCALE OF 1/2 INCH TO 1 FOOT OR 1/4 INCH TO 1 FOOT TO LAY OUT OLD KITCHEN)

Approx. Date of

Measure present kitchen carefully at 36" counter top height. Sample layout below shows how to mark in measurements. Show location and measurements of all windows and doors (including trim), as well as all obstructions such as pipes, radiators, chimneys, offsets, stairways, etc. Indicate where doors lead to. Show which direction is north. Show location of plumbing, gas, electrical and all outlets that will affect the new kitchen.
